PROFESSIONAL SUMMARY

Full-Stack Python Developer with hands-on experience building and deploying web applications using Django, Django REST Framework (DRF), React JS, and MySQL/PostgreSQL. Skilled in REST APIs, JWT authentication, role-based systems, and responsive frontend development. Developed and deployed projects including a Student Course Management System and personal portfolio website, while currently building a full-featured LMS platform. Seeking remote or hybrid Python Developer opportunities..

INTERNSHIP

Full Stack Python Developer Intern (Remote)

OneTeam EdTech Pvt Ltd, Kochi | Jul 2025 – Present

- Engineered and maintained backend modules using Django, implementing models, views, URL routing, forms, authentication, and session management with optimized database queries.
 - Designed and implemented RESTful APIs using Django REST Framework and integrated them with a React JS frontend using Axios and Fetch API for dynamic data handling.
 - Established CRUD operations, Role-Based Access Control (RBAC), and secure authentication using MySQL and JSON Web Tokens (JWT).
 - Collaborated on responsive UI development using HTML5, CSS3, Bootstrap, and JavaScript while managing version control with Git.
-

PROJECTS

AddItAI LMS – A Role-Based Marketplace Learning Management System (In progress)

Python, Django, DRF, React JS, MySQL

- Developing a role-based LMS platform with JWT authentication, course enrollment, cart, payment workflow, and certificate generation.
- Building RESTful APIs using Django REST Framework and integrating them with React frontend applications.
- Implementing advanced features including role-based dashboards, ratings & reviews, secure media access, and course marketplace functionality.
- [GitHub](#)

SCMS - Student Course Management System (Deployed)

Python, Django, MySQL

- Developed and deployed a full-stack web application for managing students, courses, enrollments, and role-based access.
- Implemented authentication, CRUD operations, form validation, pagination, filtering, and optimized database queries.
- Designed responsive user interfaces and improved administrative workflow through centralized course management.

TECHNICAL SKILLS

Programming	: Python, C, C++, C#(Basic)
Web Technologies	: HTML5, CSS3, JavaScript (ES6), Bootstrap, React JS, jQuery, AJAX, Tailwind CSS
Frameworks	: Django, Django REST Framework (DRF), ASP.NET (Basic)
Databases	: MySQL, PostgreSQL
Tools & Platforms	: Git, GitHub, VS Code, PyCharm, Postman, Docker, Redis, Celery, Vercel
Concepts	: REST APIs, JWT Authentication, RBAC, CRUD Operations, MVT Architecture, OOP, Async Tasks (Celery), Caching (Redis)
Operating Systems	: Windows, Linux

PROFESSIONAL EXPERIENCE

Programming Faculty

Microtech, Kozhikode | Aug 2024 – April 2026

- Deliver hands-on training in Python, C, C++, HTML, CSS, JavaScript, MS Office, and Ubuntu Linux for beginner and intermediate learners.
- Design course materials, practical exercises, and mini-projects to strengthen problem-solving and programming fundamentals.
- Mentor students individually, assess performance through assignments, and provide career-oriented guidance.

Faculty in Computer Science

Devine Management College, Kozhikode | Jul 2022 – Aug 2024

- Taught C, C++, HTML, DBMS, MS Office, and Linux through classroom instruction and practical lab sessions.
- Guided students in mini project development, emphasizing logical thinking, coding practices, and database concepts.
- Simplified technical concepts for non-technical learners using hands-on demonstrations and real-world examples.

Programming Faculty

Lakhotia Computer Centre, Kozhikode | May 2006 – Nov 2008

- Delivered comprehensive training in C, C++, Java (Basics), VB, C#, ASP, .NET technologies, JavaScript, VBScript, HTML, CSS, and databases.
 - Conducted practical sessions on Linux and MS Office, focusing on real-world application and workplace skills.
 - Assisted students with programming assignments, debugging, and project work, strengthening core software development fundamentals.
-

EDUCATION

'A' Level Advanced Diploma

St. Joseph's College, Devagiri, Kozhikode / DOEACC Society (New Delhi) – July, 2004 – December, 2005

Post Graduate Diploma in Computer Applications

St. Joseph's College, Devagiri, Kozhikode – July, 2004 – December, 2005

Bachelor of Commerce (Co-operation)

Mercy Arts College Vadakara / University of Calicut – July, 2001 – 2004
